

Dear Parents/Guardians,

During the month of May, the Lehigh Area Middle School will be taking a number of PSSA and Keystone exams. To allow for social distancing and to provide the safest environment for our students, we developed a schedule to accommodate all our students. Please adhere to the following dates and times for the LAVA, Zoom, and in-person students. **While in-person students will not be in the building on May 20<sup>th</sup> and May 21<sup>st</sup>, they will be required to participate in Canvas assignments.** Also, the students that are Zooming will be provided CANVAS assignments from their respective teachers when in-person students are taking the PSSAs. Please make every effort to ensure your child attends school during these testing periods. In addition, we appreciate your support and encouragement for your child during this time. Lastly, a separate email will be sent to the LAVA and Zoom students with regards to transportation options on the days they are to take the PSSA tests at LAMS.

Please feel free to contact LAMS if you have any questions.
