

COVID-19 Testing

To get a COVID-19 test, you need a prescription. The fastest and easiest way to get a prescription is to stay home and get one virtually.

Three ways to get a COVID-19 test prescription

Nurse line

888-402-LVHN (5846), option 4

Video visit

- To be seen right away, use the “On Demand ExpressCARE Video Visit” option through your MyLVHN app. This option will place you in a virtual waiting room to be seen by a doctor. Click the “On Demand ExpressCARE Video Visit” found under the “Menu” bar.
- To schedule an ExpressCARE Video Visit appointment through your MyLVHN app at a time that is convenient for you, click “schedule an appointment or video visit” under the menu bar. Then choose the “ExpressCARE Video Visit with provider, video visit” option. Click “schedule now” and fill out the questions to be given a list of available appointment times.

E-Visit

Detailed questionnaire visit submitted to a provider by visiting MyLVHN.org or your MyLVHN app. E-Visits can be found by clicking the “Menu” icon and then “E-Visits” (found under “Find Care” section of the Menu).

What if I don't have symptoms (I'm asymptomatic) or need a clearance test?

If you don't have symptoms of COVID-19 and need to be tested for work, school or travel, your first step is to do one of the virtual options above. Once completed, you will be given a prescription and can be seen at any of the following asymptomatic COVID-19 locations::
