ALICE TRAINING

ALERT
LOCKDOWN
INFORM
COUNTER
EVACUATE
ALICE Training

• School Police & Administrators Trained at Instructor Level

• All Teachers & Staff Trained During In-service

• Students—Training Modules/Videos/Q&A
  • Practice Scenarios throughout the Year
Safe 2 Say Something

- Anonymous reporting system powered by the Attorney General’s Office

- Tips submitted to school administration regarding student and campus safety, security, and well-being.

- Synthesis with local police, EMT, and other first responders.
School Police

• Maintain a presence in all building a conduct routine patrols of district property.

• Rapid Response: trainings have demonstrated that the school police can quickly impede the path of an intruder/assailant.

• Positive Rapport with Students – Student report being comfortable speaking with the school police.
SAFETY & SECURITY TEAM

• The District formed a Safety & Security Team comprised of administrators, school police, and other office-based personnel.

  • Meets monthly for planning, idea sharing, and needs assessment.

  • Building-level teams in place—meet routinely.
VAPE: EMERGING AS A HEALTH CRISIS

Chemical Content: Vape Liquid

**Nicotine:**
1 Cigarette = Approximately 8-12 mg of nicotine
1 JUUL-brand Pod = 40-60 mg of nicotine per “pod”

-- Reports showing some students use more than 5 Pods per day.

**Glycerol:** Used in medications/sweeteners. Found to impact circadian rhythms when metabolized by the lungs.

**Propylene glycol:** High/Concentrated doses causes a bodily response:

These are simultaneous symptoms. Leads to “rush”

1. Drop in Blood Pressure
2. Increase in Heart Rate
