School-Wide Title I Information

September 20, 2021

Dear Lehighton Elementary Center Parent or Guardian:

We are writing to inform you that the Lehighton Area Elementary School is a School-Wide Title I School for 2021-2022 under the Federal Elementary and Secondary Education Act (ESEA). The Every Student Succeeds Act (ESSA) requires that parents be notified in writing of the School-Wide status of their child’s school.

Lehighton Elementary School receives federal funds from the Title I program. These funds provide additional support to student achievement in the areas of Math and English Language Arts. As a recipient of these funds, Lehighton Area Elementary School is required to assist all students in their academic development to assure they are making progress (AYP) and improving student achievement. Although we have demonstrated Expected Growth, as required by the state of Pennsylvania, we have a lot of work to do. Therefore, we are asking for your commitment to support our school and entire Lehighton Area Educational Community with continued success and educational growth.

As a parent of a child in a Title I School you have the right to participate in the decision making process. Lehighton Area Elementary School’s success is largely attributed to the support we have received from parents, families and community members. We are looking forward to working with you to best serve your child’s needs this school year.

You are invited to attend our Annual Title I Fall Parent/Guardian Student Night on October 19, 2021 virtual beginning 6:30 p.m. There you will find out more about our Title I program, including your right and responsibilities as a parent in a Title I school, and how students will be selected to participate in this program.

If you have questions about your child’s Title I school, please call your child’s school at 610-377-7880 or go to www.lehighton.org on the Web for more information.

We are looking forward to a year of educational success and continuous improvement for all of our students. Please continue to work with us to make sure that we achieve success for each student.

Sincerely,

Mr. Aaron Sebelin, Principal K-2
Dr. Mark McGalla, Principal 3-5
Mr. Timothy M. Tkach, Asst. To the Supt.
